Are You Employed This Semester? Here's an Important Tax Tip for F-1s and J-1s!
If you are an international student in F-1 or J-1 status who is working on campus for Spring 2011, have you examined your paychecks carefully? Here is some important information for you. The information that comes with your paycheck may show that both federal and state income tax (or just federal income tax) are being withheld from your paycheck. This is correct, since students in F-1 or J-1 status do pay federal and state income taxes on money they earn through on-campus employment. However, if your paycheck information shows that social security tax and/or Medicare tax are being withheld from your paycheck, this may be an error! F-1 or J-1 students who have been in the United States in F-1 or J-1 status for five years or less do not pay social security or Medicare tax on employment earnings authorized by federal Immigration regulations, including on-campus employment. So, if you believe a mistake has been made, speak with someone in the appropriate payroll office, and have your pay stub with you. You are entitled to a refund of any social security or Medicare
tax incorrectly withheld.

The rules are explained in IRS Publication 519: US Tax Guide for Aliens. To access a copy, go to:

You need print only pages 1, 54 and 55.

10. Syracuse Stage presents: August Wilson's Radio Golf

February 23 - March 13

How do we move forward without leaving behind difficult but defining aspects of our past? A powerful and timely drama from the most celebrated American playwright of this generation, Radio Golf tells the story of a man striving to become the first African American mayor of Pittsburgh. He's forced to weigh the importance of family, legacy, heritage and history against the truth of his political and class ambitions. Moving, funny, lyrical and rousing, Radio Golf is the inspiring final play of August Wilson's monumental, ten-play 20th Century Cycle and career. Radio Golf is the final installment in August Wilson's 10-play 20th Century Cycle, chronicling the African American experience during each decade of the 20th Century. Radio Golf received four 2007 Tony nominations, including Best Play, and won the New York Drama Critics Circle Award for Best American Play. With Radio Golf, Stage's Producing Artistic Director Timothy Bond continues his commitment to produce Wilson's 10-play cycle. Past Wilson productions at Syracuse Stage include Fences (2010), Ma Rainey's Black Bottom (2008), Gem of the Ocean (2007), Jitney (2002), The Piano Lesson (1996), and Fences (1991). Wilson's cycle (in order of decade which the drama is set) includes Gem of the Ocean, Joe Turner's Come and Gone, Ma Rainey's Black Bottom, The Piano Lesson, Seven Guitars, Fences, Two Trains Running, Jitney, King Hedley II and Radio Golf. Radio Golf is a co-production with Geva Theatre Center of Rochester, NY. Click here for further information and to buy tickets.

From the center of downtown Syracuse to surrounding areas throughout Onondaga County, everyone joins in the celebration. Kids will be kids, even when they're middle-aged. And there are no age limits when it comes to enjoying the displays, entertainment, games and culinary delights created by hundreds of hands. What a Party!

With more than 100,000 people attending dozens of indoor and outdoor events, parties, cook-offs, various competitions plus an abundance of other activities, Syracuse Winterfest draws the second largest audience in all of Central New York.

Lucky Us! It was 26 years ago when winter in Central New York was not such a wonderful time. We still have the snow, the ice, and the cold, but now that Winterfest is here, you can delay your southern vacations to enjoy the celebration.

### 12. Counseling Center Grief Group

[Back >>]

This Spring semester, 2011, the Syracuse University Counseling Center will be sponsoring one six-week stress reduction workshop formally called the Mindfulness Based Stress Reduction Program (MBSR). This is a world-renowned program founded by Dr. Jon Kabat-Zinn, a well-known author and researcher from the University of Massachusetts Medical Center. This program has been hailed by medical journals for its ability to help people develop greater inner strength, flexibility, and balance in the midst of life's everyday ups and downs. In a sense, it's a course on teaching emotional coping skills to deal more effectively with stress and overwhelming emotions. David Jacobs, J.D., an MBSR facilitator and certified yoga instructor, will be leading this course here at the University for any SU undergrad and grad students. Jacobs has completed the teacher practicum training at the University of Massachusetts Medical School's Center for Mindfulness in Medicine, Healthcare, and Society and teaches locally at the Upstate Yoga Institute. The course is being funded by the Syracuse University Wellness Initiative and therefore will be offered free to all students. The course is not for credit. Rather, it is a personal course offered to help you learn a life skill, which hopefully will help improve your academic and emotional performance. To
gain the most benefit, it will take a good deal of commitment on your part; you will need to attend all six weeks of the course, attend a half-day retreat, and practice the homework assignments. But the benefits will surely outweigh the costs and we are confident, with commitment on your part, you will gain a skill that will be with you for a lifetime. The six-week course meets Wednesday evenings from 6:30-8:30 p.m. beginning February 2, 2011. The program also includes a retreat class which meets on Saturday, March 5, 2011 from 12:00 p.m. to 4:00 p.m. Class size is limited. At the end of the six week introductory course those students who have completed the program will have the option of continuing to meet for an additional two weeks of advanced mindfulness training on Wednesday evenings from 6:30 p.m. to 8:30 p.m., March 23rd & March 30th.

Further information and registration for the program will be offered at the mandatory orientation/screening sessions held on Wednesday, January 19th and Wednesday, January 26th at the Counseling Center 200 Walnut Place, 6:00PM-7:00PM
To sign up for one of the pre-program orientation sessions or for further information contact the Counseling Center at 443-4715 or mbsr@syr.edu.

17. **Judicial Affairs**

The Office of Judicial Affairs is excited to announce our recruitment of students to participate on the University Judicial Board/Peer Education Team (UJB/PET). The mission of the UJB/PET is to participate in judicial hearings and develop and implement outreach activities that encourage civility and good citizenship within the Syracuse University community. The UJB/PET provides an opportunity for students to be leaders in the University community, promoting civility and citizenship, while also developing skills in facilitation and conflict resolution.

The UJB/PET is charged with hearing and resolving cases involving students or student organizations that have allegedly violated the Syracuse University Code of Student Conduct (except in cases involving academic dishonesty). In addition, students selected for the UJB/PET will be expected to create outreach activities on topics such as personal safety, consensual sex, alcohol and other drugs, living in a diverse community and personal values. Members will undergo an intensive training program to develop the skills necessary for this position.

Applicants for the UJB/PET must be matriculated full-time undergraduate, graduate, or law students at either Syracuse University or SUNY-ESF. Both on-campus and off-campus residents are encouraged to apply. A grade point average of 2.5 or higher is required. Disciplinary or academic violations committed at Syracuse University or elsewhere must be disclosed. Prior infractions will not automatically disqualify applicants, but are taken into consideration by the selection committee.

After applications have been submitted, the selection committee will determine whether to invite applicants to participate in a group interview process. Based on the quality of the applicant’s submitted application and their performance during the group interview, successful candidates will advance to the individual interview for final consideration. The Office of Judicial Affairs will notify applicants when the final decisions are made. Syracuse University is comprised of a diverse student body; therefore it is imperative that the UJB/PET reflects that diversity. Students of all backgrounds, interests and abilities are encouraged to apply.

If you are aware of students who are qualified for and would be interested in this experience, please direct them to the online application form for the University Judicial Board/Peer Education Team at: [http://students.syr.edu/judicial/ujb/](http://students.syr.edu/judicial/ujb/). Or you may email Stephanie Hovsepian (shovsepi@syr.edu) with her/his contact information and she will send the application link to them. Attached is a flier that we ask you post around your office. The completed application should be submitted online by Monday, February 21, 2011 at 5:00pm. Questions may be directed to the Office of Judicial Affairs at 443-3728 or shovsepi@syr.edu.

IMPORTANT ANNOUNCEMENTS!

Planning to Study Abroad during the Summer 2011 semester? If so, please talk to an international advisor at the Slutzker Center soon. There are steps which you must take in order to insure your continued non-immigrant status for re-entry to the U.S.
MEETING YOUR HEALTH REQUIREMENTS

Syracuse University Health Services has determined that many international students are not in compliance with immunization requirements defined by New York State public health law. Enrolled students found not to be in compliance risk strict administrative consequences including inability to register, suspension of I.D. card privileges, and may be required to leave campus.

You must be in compliance with these immunization requirements in order to remain on campus.

The Health Service will be sending an email to all those who are not in compliance via the syr.edu email address. Please watch for that notice (check your syr.edu email address!). If your registration is cancelled, you will also lose your F-1 or J-1 student status. Don't put yourself at risk. Contact the Health Service as soon as you receive that email!

Although rare, a fire drill or evacuation could be an opportunity for a thief to strike. To prevent someone from taking your irreplaceable documents and passports we recommend the following:

- Keep your documents in a secure location.
- Be able to access and take your documents with you quickly if you need to evacuate the building.
- A small safe, briefcase, folder or backpack maybe the best way to keep your documents organized.
- Rent a safety deposit box at your local bank (i.e.: HSBC, Chase, etc.)

You should never spend time searching for your documents in an emergency situation. REMEMBER, while you want to do your best to protect your valuable property, your personal safety is the highest importance in emergency!

Students who are planning to do an Internship the Spring semester should apply for Curricular Practical Training (CPT). Please remember that you have to register for at least 1 credit for CPT.

Curricular Practical Training Seminar (CPT) – Every 1st and 3rd Wednesday @ 3:00pm and every 2nd Friday at 3:00pm.
Optional Practical Training Seminar (OPT) - Every 1st and 3rd Wednesday @ 3:45pm and every 2nd Friday at 3:45pm.

Address Change?

All International Students and Scholars that will be moving out from the "Campus Housing" must update the US Address where you will be living during the Fall semesters via your "MySlice self-service" and select CURR address. Under Federal Immigration Rules, to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement. For example, a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester – 6 credits must be live, in classroom courses.

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during the Summer or over Winter break.

If it is your last semester you will have to fill out the Last Semester Memo http://international.syr.edu/address_update_opt.htm

If you are taking less than 9 credits this semester you must fill out a Certificate of Full-Time Status http://international.syr.edu/credit_change.pdf

If you are taking less than 6 credits this semester you must fill out a Statement of Enrollment http://international.syr.edu/credit_change.pdf

If you are taking less than 9 credits this semester you must fill out a Statement of Enrollment http://international.syr.edu/credit_change.pdf

NOTE: For Syracuse University F-1 students, a full-time course load is required during the Fall and Spring semesters. Full time enrollment means Graduate students must enroll for at least 9 credits every semester. Undergraduate students must register for at least 12 credits every semester. Students are not required to enroll in courses during the Summer. However, if Summer session is your first semester then you must maintain full time enrollment of at least 6 credits for that summer session.

If it is your last semester and fewer than 12 credits are required to graduate for undergrads and 9 credits for grads; it is acceptable to carry only those credits required to complete your degree. If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or as distance education. You must be enrolled in a live, in classroom course during your last semester.

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

Under Federal Immigration Rules, to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement. For example, a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester – 6 credits must be live, in classroom courses.

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during the Summer or over Winter break.

If it is your last semester and fewer than 12 credits are required to graduate for undergrads and 9 credits for grads; it is acceptable to carry only those credits required to complete your degree. If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or as distance education. You must be enrolled in a live, in classroom course during your last semester.

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

If you are taking less than 9 credits this semester you must fill out a Certificate of Full-Time Status http://international.syr.edu/credit_change.pdf

If this is your last semester you will have to fill out the Last Semester Memo http://international.syr.edu/credit_change.pdf

Is Your I-20 or DS-2019 Expiring Soon? Do You Need an Extension of Stay?

U.S. Citizenship and Immigration Services (USCIS) announced today that it has received a sufficient number of H-1B petitions to reach the statutory cap for fiscal year (FY) 2011. USCIS is notifying the public that yesterday, Jan. 26, 2011, is the final receipt date for new H-1B specialty occupation petitions requesting an employment start date in FY2011.

Is Your I-20 or DS-2019 Expiring Soon? Do You Need an Extension of Stay?
This is the time of year when many international students whose I-20 or DS-2019 will expire this month, but who will be continuing their studies for Spring 2011, are applying for an extension of stay. Students who will begin a new level of study (e.g., completing bachelor's and beginning master's or completing master's and commencing PhD) receive a new I-20 for the new level of study. Changes in level of study require an admission letter from the Graduate School (if completing a bachelor's and commencing master's) or from the student's academic department (if completing master's and commencing PhD) verifying that the student has been approved for the new level of study, and the semester that the new level will begin.

Student's with I-20s or DS-2019s expiring in December 2010 but who will continue their studies at SU must begin the extension of stay process (or change in level of study process) well before that date so that the new I-20 is issued before the I-20 expiration date.

Important Reminders

**A Reminder About Optional Practical Training EAD Cards**

F-1 students who have obtained authorization for Optional Practical Training from the USCIS and who used a mailing address other than the SCIS Office for their Employment Authorization cards are reminded to please email their EAD cards to the SCIS so that we can make a photocopy for your files. Having a photocopy in the SCIS could become very important to you in the future, if we need to verify your F-1 status or if the card is lost or stolen.

**Important Reminder from Human Resources**

International students who have jobs on campus (GA positions, TA positions, RA positions and hourly wage assignments) are reminded to be sure to copy the appropriate Human Resources Office on campus for any change of U.S. address. Be sure to look at your address on your most recent pay stub. If it is not accurate, report it to your department or office where you work so that the address can be updated by your department. If you are on any payroll, your change of address is needed so that you can receive your W-2 Wage and Tax Statement forms in late January, as well as any checks that may be coming to you if you are leaving at the end of this semester.

Also, if you have obtained a social security number since starting work, it is essential that you report your social security number to your payroll office for W-2 purposes. If you are uncertain whether or not this is a problem for you, check your most recent pay stub, and look to see if your social security number as well as your current address are included properly.

Getting Serious About Snow

- In the winter, major roadways receive priority, while secondary streets are plowed as soon as possible. The City of Syracuse operates a fleet of 40 plow and salt spreader trucks assisted by independent plow truck operators.

  Sidewalk snow removal is the responsibility of each property owner. In most cases, if the owner doesn’t live at the property, the tenant is responsible for keeping the sidewalk clear. Clarify with your landlord about whose responsibility it is to remove the snow, especially while you are away.

  Free snow shovels available at Off-Campus & Commuter Services, 754 Ostrom Ave. Stop by between 12 noon & 2:00pm to pick up a free snow shovel. MUST SHOW STUDENT ID. Only one shovel per apartment; quantities limited.

  - Just a reminder, clearing of snow and ice from sidewalks is to be done by 6 pm following snow accumulation
  - The Fire Department must keep hydrants clear of snow in case of emergency. Residents are asked to assist in this task whenever possible, especially during a heavy snowfall.

  - During the winter, all parking regulations are strictly enforced by the City of Syracuse so that snow can be removed from the street. Your car will be towed if you are parked across the sidewalks or if you are in violation of the odd/even parking regulation. Call the 448-CITY for more information.

  - Dress appropriately before going outdoors. The air temperature does not have to be below freezing for someone to experience cold emergencies such as hypothermia and frostbite. Wind speed can create dangerously cold conditions even when the temperature is not that low.

  - Dress in layers so you can adjust to changing conditions. Avoid overdressing or overexertion that can lead to heat illness. Most of your body heat is lost through your head so wear a hat, preferably one that covers your ears.

  - Mittens provide more warmth to your hands than gloves.

  - Wear waterproof, insulated boots to help avoid hypothermia or frostbite by keeping your feet warm and dry and to maintain your footing in ice and snow.

  - Get out of wet clothes immediately and warm the core body temperature with a blanket or warm fluids like hot cider or soup. Avoid drinking caffeine or alcohol if you expect you or someone you are trying to help has hypothermia or frostbite.

Beat the Heating Bill Blues

Heat:
We have had very cold winter and it is very important that you protect your apartment and keep the temperature set at least 55 degrees to prevent the pipes from freezing. Due to the very low temperatures it may be necessary to set the thermostat at a higher temperature to maintain 55 degrees in the house depending on how well the house is insulated. Remember to keep doors and windows, especially in the basement shut.

Set your thermostat at 68 degrees. For every degree you set your thermostat back, you can save three percent of your annual heating costs. A change from 72 to 68 degrees could save you up to 12 percent!

- Install a programmable thermostat which allows you to set up heating programs that will automatically change the thermostat’s set temperature between comfort levels and energy saving levels at specified times. A programmable thermostat can save you up to 35 percent in heating costs.

- Keep curtains and shades open during the day to capture warmth and closed at night to prevent heat loss through windows.

- Keep doors of unused rooms closed and use a towel to eliminate drafts under doors.

- If you use a space heater for extra warmth, be sure to keep it at least three feet from other objects and turn it off when you leave. Keep your thermostat set to a temperature no lower than 55° F. You must keep your apartment heated all winter long so that your pipes will not freeze—even while nobody is living in the house. Frozen pipes cause extensive and expensive damage to a home’s plumbing and heating systems. If you turn off your heat, you could be responsible for repairs! Also, keep in mind that using a space heater instead of central heat may not save you money and it puts you at greater risk for a fire.

If you have questions about winter heating or need tips on how to lower your bill, please contact the Office of Off-Campus and Commuter Services at 315-443-5489 or offcampus@syr.edu.
Keeping Good Rental Records
Lack of knowledge regarding leases or other rental agreements can cause a variety of problems. By keeping records of rental repair requests, security deposit disputes, and other important issues related to rental agreements, you can alleviate many of these types of problems. The most frustrating problems occur when the tenant cannot document their grievances. To prevent this, start a rental file as soon as you sign the lease and add to it throughout your lease term. A rental file is easy to keep, considering the money you may recover through rental modification or qualifying for full return on your security deposit. If a rental problem arises, it is easier to negotiate a solution with the landlord when you have written records that show the extent of the problem, what you asked the landlord to do about it, and how the landlord responded.

Your Rental File Should Hold:
A Rental Log
Use a simple notebook to write all dates and times you contacted or tried to contact your landlord; make a note of any discussion. Logs are a useful permanent record of how the landlord did or did not respond to problems.

Apartment Condition Checklist
This is proof of the condition of the apartment when you move in and out. Keep a copy and send the original to the landlord by certified mail and return receipt.

Correspondence With Your Landlord
Make any complaints or concerns in writing and keep copies on file. All verbal requests should be followed up in writing with copies in your file.

Reports
Keep copies of the Certificate of Suitability, building inspection reports, police reports, and any other reports from other agencies.

Photographs
Photos may be the evidence you need to document a repair or security deposit problem. Photos should be dated and signed by a witness.

Off-Campus Housing 101
It is that time of year: time to begin looking for off-campus housing for the 2011-12 academic year. The rental season begins very early in Syracuse, but that does not mean you have to sign a lease right now; you should not rush to sign a lease and should learn about off-campus housing prior to making the decision to move off-campus. A lease should not be signed until the property has been researched, roommates are confirmed, and the lease has been reviewed by Student Legal Services.

There are a number of rental units available in the University area and one of the best sources for advice and information about off-campus housing are friends and classmates. Another good place to search is Orange Housing. Orange Housing maintains a web site of apartment offerings in the neighborhoods adjacent to campus. The Orange Housing website is www.orangehousing.com. It is important to keep in mind that this local company is not affiliated with Syracuse University or SUNY ESF and there are absolutely no guarantees about the quality and reliability of the information posted on the website. Orange Housing also offers roommate searches, sublet listings, and information relevant to apartment hunters. Apartment listings can also be found in the Daily Orange and at www.apartmentfinder.com.

Your first step in your apartment search is determining your needs. Important considerations include:
- Distance from campus
- How much you can afford for rent and utilities
- On or off-street parking
- Number of roommates
- Furnished or non-furnished apartment
- Length of lease
- Pets

Once you have determined your needs you will want to view two or more rentals that meet your criteria. Check out each apartment thoroughly; don't be afraid to test faucets, doorknobs, etc. and make sure you are satisfied with the safety features available (window locks, security lights, etc.). You should talk with the current tenants about the apartment; ask about location and experiences with the landlord. Once you decide on an apartment and have done all needed research, you should have the lease reviewed by Student Legal Services.

The Office of Off-Campus and Commuter Services (OCCS) is a resource that you should also utilize in your search for off campus housing. OCCS staff will assist you in your search by educating you on what is needed to have a successful off-campus living experience. OCCS is available for in person assistance at 754 Ostrom Avenue, via phone at 315-443-5489, online at offcampus.syr.edu, via email at offcampus@syr.edu

Apartment Safety Tips
Burglars strike in any neighborhood. They are opportunistic and always look for such easy targets as homes that are left open, not well maintained, out of eyesight or earshot of neighbors, or obscured by landscaping or fencing. The best way to minimize your chances of becoming a victim is to take sensible precautions.

The following tips offered by the City of Syracuse Police Department are designed to help you reduce your chances of becoming a victim of crime. You may already be aware of some strategies, but others may be new to you. Remember to trust your instincts and use common sense. Do not let yourself become a victim of a crime!

Before Renting an Apartment
Survey the following for the following security features:
- Does the apartment have metal or solid core wooden entry and exit doors? Are these doors equipped with deadbolts? Are the locks mounted securely? Have the doors been re-keyed since the last tenant moved out?
- Can visitors be observed without opening the apartment door either through a door “peephole” viewer or window?
- Does any outside vegetation block doors or windows from public view? Does the vegetation provide places or concealment at entrances at or along walkways?
- Is there adequate lighting at the building entry doors and along walkways? Are the outer doors kept locked at all times?

In Your Apartment
- Keep your doors locked at all times, especially when you are alone, sleeping, or the apartment is unoccupied (even if only for a few moments).
- Determine who is on the other side of the door before opening it. Have repair or service personnel show official identification and confirm their presence with the person requesting the service. Delivery persons should remain outside to await the person requesting the delivery.
- If you return home and something looks questionable (e.g., a slit screen, broken window, or open door) do not go inside. Call the Syracuse Police Department from a safe location.
- Be sure you have blinds or curtains on your windows to discourage window peepers. Always keep your windows covered at night and leave lights on in two or more rooms.
- Make a list of your valuables and record any serial numbers.
- Be sure all outdoor lighting fixtures are in working condition. Ask your landlord to make immediate repairs.
- Place items of value out of sight and in locked areas. Do not leave valuables unattended in such common areas as laundry rooms and lounges.
- Ask your landlord to maintain and trim shrubbery.
Register your valuables

Your new iPad sells for $600 on eBay

Register your valuables with the Syracuse Police Department. Go to http://publicsafety.syr.edu and click on 'Register your Property.'

Intended as a preventative tool, the registration will add SPD and DPS in the recovery of personal property in the event of a theft.

Register your valuables

In recent weeks, SU’s Department of Public Safety has investigated the theft of several laptops and other personal property stolen from within academic buildings on campus. In each instance, the thefts occurred when students stepped away from their work area for only a brief period of time. Upon their return, the property was missing.

Everyone is reminded to never leave personal property unattended, even for a short period of time. Anyone with questions or concerns may contact the Department of Public Safety at 443-2224.

Getting Repairs Made in Your Apartment

As a tenant, you are entitled to a livable, safe and sanitary apartment. Failure to provide heat or hot water on a regular basis or to rid an apartment of insect infestation is an example of a violation of this entitlement.

All landlords are required to maintain electrical, plumbing, sanitary, heating and ventilating systems in good working order. Landlords of buildings with three or more apartments must keep apartments and public areas in “good repair.” Landlords also have a duty to keep every part of a dwelling clean and free of vermin, dirt, garbage, and other offensive material.

All landlords in the City of Syracuse must maintain their premises in accordance with Syracuse Property Code. The Housing Complaint section of the Division of Code Enforcement enforces the City Code by responding to reports and complaints about housing maintenance, overgrown yards, trash and debris and disabled vehicles on private property. In addition they work with other agencies to improve residential neighborhoods.

If you have a complaint concerning the habitability or repair of your apartment, contact the Syracuse Division of Code Enforcement at (315) 448-8695.

If you have any questions you can call our office @ 443-5489.

Landlord Information Sharing Program

The Landlord Information Sharing Program (LISP) is designed to provide students with a method for communicating with each other from year to year about their rental housing challenges and successes.

Process

Any Syracuse University or SUNY ESF student can fill out a Comment Form found on our web site at offcampus.syr.edu or in our office at 754 Ostrom Avenue. Students must clearly explain their concerns or issues in the form provided or by attaching a separate typed letter. They must use facts to describe the situation that is the basis for their documentation—they cannot simply provide an opinion of their landlord with no supporting factual basis.

OCCS staff would also like to hear about any positive interactions that students might have with their landlords. If students have positive experiences that they would like us or other students to know about, they should send us a letter clearly explaining the interaction, using facts to describe the situation—they should not simply provide an opinion of their landlord with no supporting factual basis.

What happens when a Comment Form is filed?

OCCS staff will review all completed Comment Forms. If any include unprofessional language or are not appropriate to share with other students, it will be returned to the student with a letter explaining why. OCCS staff will forward a copy of the submitted Comment Form to the student’s landlord. The landlord may respond to the concerns or issues directly or may respond by sending a letter to the OCCS. If the OCCS receives a response, a copy will be mailed to the student. OCCS staff will keep a copy of all Comment Forms and landlord responses in our office at 754 Ostrom Avenue. All names, contact information, and any other identifying information will be redacted from the Comment Forms and responses. Other SU/SUNY ESF students will be able to view your Comment Form and your landlord’s response when they are searching for off-campus housing.

We encourage students viewing the landlord files to consider not only the number and type of concerns or issues raised, but the landlords’ responses to them. Please note that the views expressed in these materials are solely those of students and local property owners and not those of Syracuse University.

Sometimes your landlord may not respond to your concerns or issues, or may respond unfavorably. OCCS staff will work with you throughout the process to seek to accomplish a resolution to your problem. When appropriate, OCCS staff will refer you to agencies that are better able to assist you, such as the Syracuse Police Department, City of Syracuse Division of Code Enforcement, Conflict Mediation Center, Student Legal Services, etc.

Lease Disputes and General Landlord Complaints

- If you have a disagreement with your landlord concerning either of your responsibilities, it is best to try to reach an agreement.
- After reaching an agreement with your landlord in person or over the phone, follow up your discussion in writing. Include anything you or your landlord agreed to in your letter.
Parking illegally on a city street creates traffic hazards to motorists and pedestrians, obstructs vehicular and pedestrian traffic, prevents emergency vehicles from entering areas, and delays public services such as trash collection and snow removal. And parking on front lawns and across sidewalks is not only illegal, but also poses a safety threat to pedestrians who are forced to walk off the sidewalks.

Working collaboratively with the Syracuse Police Department, we want the campus community to know the rules so they can follow them. “To reduce and discourage illegal parking, the Syracuse Police Department will strictly enforce the parking regulations in the University area and will routinely conduct Ticket and Tow Operations in persistent violator areas. Drivers should obey the posted parking regulations in order to avoid being ticketed and towed, and should be mindful that failure to respond to parking violations may result in collection agency involvement or other punitive action against the registrant and/or the vehicle.”

Parking Regulations In The University Neighborhoods

Parked in the neighborhoods surrounding campus may be a new experience for some. To avoid ticketing and towing, and to help maintain the quality of life in the University area, members of the University community are reminded to observe city parking regulations.

Many city streets have alternate side (odd-even) parking, which takes effect at 6 p.m. On odd dates, parking starts at 6 p.m. on the side of the street with odd address numbers; on even dates, parking starts at 6 p.m. on the side with even-number addresses.

“Parking illegally on a city street creates traffic hazards to motorists and pedestrians, obstructs vehicular and pedestrian traffic, prevents emergency vehicles from entering areas, and delays public services such as trash collection and snow removal. And parking on front lawns and across sidewalks is not only illegal, but also poses a safety threat to pedestrians who are forced to walk off the sidewalks.

Pedestrian Safety Tips

Stay safe while you're walking to campus. Here are some tips:

- Use sidewalks and paths whenever possible.
- Use crosswalks, and don't start walking until you see the "WALK" signal.
- Walk facing traffic so you can see vehicles as they approach, and they can see you.
- Always walk in groups of three or more!
- Remember, pedestrians only have the right-of-way if a driver sees them! As a driver, it is important to be familiar with pedestrian safety laws. When a pedestrian is crossing at a crosswalk, drivers must wait until the pedestrian has completely crossed the street and has reached the other side safely.
- When making a right-hand turn at a red light, it is important to come to a complete stop and check for pedestrians crossing the street. Also remember there are many "No Right on Red" turns in the Syracuse University area!

Protect your Property

All your personal belongings are insured against a wide range of losses. The SCIS supports this policy and we encourage every student to have this insurance.

- Laptops, cell phones, jewelry, watches, iPods, cameras, clothes, books, sports equipment, furniture all your "stuff" is covered.
- Worldwide coverage on and off campus (in your apartment, in a foreign country, "at home", in storage, or anywhere else they may be).
- Property of the University is covered while in your care
- Buy $4,000 of coverage for less than $94! Also there is up to $20,000 coverage available for an annual premium of only $250.

For more information about our student personal property program, call 1-866-535-0456 and ask for a college specialist to assist you. Or better yet Enroll online! It's fast and easy. Simply log on to: www.haylor.com/student or send an e-mail to: student@haylor.com

For your safety, please remember...

- On campus after dark, use DPS' free escort service. Off campus, use SU Home (it's free); call 315-443-2224 for more information on these services. Additional options are Centro Bus or taxi service.
- Walk, bike or jog in groups of three or more — away from bushes, cars and other objects a suspect could hide behind.
- Look and listen. Headphones and cell phones can create tunnel vision.
- Travel in well-lighted and well-traveled areas.
- Don't approach strangers or let them get close to you.
- If you think someone is following you, switch directions or cross the street. Go toward an open business or lighted house.
- Have your house or car keys in hand before you reach your door.
- Know where "Blue Light" phones are and how to use them.
- If someone tries to rob you, don't resist. Give up your property, not your life.
- Try to get a description of the suspect(s) and any associated vehicle and tag number.
- IMMEDIATELY report emergencies or suspicious activities, persons and vehicles. For SU's Department of Public Safety, dial 711 on campus or #78 (from a cell phone); for the Syracuse Police Department, dial 911

Your quick report may help prevent others from becoming victims.
