2. TAXES

Tax Seminars:

It is your obligation as a student/scholar to file a federal (and maybe a state) tax return by April 15, 2011! The Slutzker Center for International Services has tried to set up systems to help you meet those obligations. Information about CINTAX is available on our website http://international.syr.edu/Tax_Information.htm, and through this newsletter. In addition, we will have two tax seminars. The seminars will feature the representative from the IRS Department of finance and taxation. We advise you to have already completed your federal return via CINTAX and bring the completed form with you for the seminars. It is NOT necessary (nor desirable) to come to both seminars!

TAX SEMINARS will be offered:

When:
1. Today - March 29, 2011
Where: Heroy Geology Auditorium
Time: 2:00pm (the seminar will start promptly at 2:00pm).

2. Wednesday - April 6, 2011
Where: Maxwell Auditorium
Time: 3:30pm (the seminar will start promptly at 3:30pm).

If you are planning on attending the March 29th and the April 6th seminar you must have the Federal portion of your tax forms completed as there will only be 5 business day turnaround time for the password.

Are You Employed This Semester?

Are you employed this semester?

If you are an international student in F-1 or J-1 status who is working on campus for Spring 2011, have you examined your paychecks carefully? Here is some important information for you. The information that comes with your paycheck may show that both federal and state income tax (or just federal income tax) are being withheld from your paycheck. This is correct, since students in F-1 or J-1 status do pay federal and state income taxes on money they earn through on-campus employment. However, if your paycheck information shows that social security tax and/or Medicare tax are being withheld from your paycheck, this may be an error! F-1 or J-1 students who have been in the United States in F-1 or J-1 status for five years or less do not pay social security or Medicare tax on employment earnings authorized by federal immigration regulations, including on-campus employment. So, if you believe a mistake has been made, speak with someone in the appropriate payroll office, and have your pay stub with you. You are entitled to a refund of any social security or Medicare tax incorrectly withheld.

3. Earthquake and Tsunami Affect Japan and People all Over the World

The Slutzker Center continues to be concerned about the aftermath of the earthquake and tsunami in Japan. Students and scholars with family and friends in Japan are encouraged to contact us if there is any tangible way we can be of assistance to you. Please email us at leciscis@syr.edu. We are providing link below to information as it becomes available to us. Our thoughts and prayers remain focused upon Japan and the people who have been affected by these double tragedies. We are providing links below to information about locating people in Japan, and the latest information from the U.S. Department of State. If there is new information over the weekend, we will post it on this http://international.syr.edu/index1.htm website. Please keep checking. Our thoughts and prayers are with all people who have been affected by this natural disaster and we hope that injuries and loss of life will be minimal.

With sympathy and hope,
Dr. Patricia A. Burak
Director/Lillian and Emanuel Slutzker Center for International Services
The JSA has started a fundraising campaign. There is a collection box at the front desk in the Slutzker Center and other locations around the university for anyone who would like to help. For further details please check https://www.facebook.com/JSA.syr.edu

7. Ever Wonder What Your E-Verify Employer Will See About Your Eligibility For Employment? If you live in Arizona, Idaho, Colorado, Mississippi, Virginia or the District of Columbia you can find out

Back>>

Self Check gives workers fast and secure access to their employment eligibility information before they apply for jobs. In this way, workers are able to identify whether there are any inaccuracies in their Social Security Administration or DHS records before they seek employment, and submit corrections for any inaccuracies ahead of time. Self Check also assists employers by reducing the number of tentative mismatches that could otherwise result when a worker’s government records are not updated. Every aspect of E-Verify Self Check was designed to secure users’ personally identifiable information and to prevent misuse of the service. For example, E-Verify Self Check uses an identity assurance process to confirm that the person attempting to run a check is who he or she claims to be to avoid fraud or abuse. Beginning today, the E-Verify Self Check service is available to users who maintain an address and are physically located in Arizona, Idaho, Colorado, Mississippi, Virginia or the District of Columbia. In the coming months, USCIS will continue to expand the E-Verify Self Check service to additional eligible users on a rolling basis.

10. HOUSING UPDATE: Change Batteries
Make sure to change the batteries in your smoke and carbon monoxide detectors.

11. Immigration Update: The Clock is Ticking on Some Practical Training Applications
F-1 students who will be graduating in May 2011 and plan to apply for post-completion Optional Practical Training (OPT) are reminded that they must submit their application paperwork to the SCIS, and then send the processed documents to U.S. Citizenship and Immigration Services (USCIS) so that it is received at the USCIS no later than 60 days after their degree conferral date, which this year is May 15, 2011.

F-1 students who have not yet begun the practical training application process are urged to do so soon so that you will have the best possible opportunity to obtain your employment authorization card in a timely manner. Currently, it is taking the USCIS Service Centers approximately 75-90 days to process OPT employment authorization applications. Employment cannot begin until you have the card “in your hands.”

- Also, a student in F-1 or J-1 status cannot be employed away from the Syracuse University campus unless they have obtained appropriate federal authorization to do so before employment can begin. This includes internships, research and volunteer work.

15. Commencement Weekend

Commencement Weekend (May 13-15) planning has been underway for several months, bringing with it new opportunities, new collaborations, and changes to the weekend's schedule of events. I want to take the opportunity now, as we prepare to send the Commencement Information Booklet to students and parents, to bring you up to date on these changes, which evolved from a variety of factors including a larger class size, new campus venue guidelines, off-campus venue limitations and more. To view the Convocation and Reception schedule, please visit our website, http://commencement.syr.edu/.

The Engineering convocation has outgrown its previous Schine Student Center location and will move to Manley Field House at 9:00 a.m.; Management will move to the Carrier Dome for a 3:00 p.m. Convocation; and VPA will shift its Dome Convocation start time to the evening (7:00 p.m.). Graduate Management will move into Schine at noon. Manley Field House will hold three Convocations in the refurbished football practice arena (Engineering, Education, and Human Ecology) and the Carrier Dome will host four Convocations (Arts and Sciences, Newhouse, Management, Visual and Performing Arts) eliminating the dinner dance option. There will be other campus dining opportunities offered this year at Ernie Davis Hall (315-443-3102) and Drumlin's Country Club (315-446-4555). Off-campus dining options are listed on The Syracuse Convention and Visitors Bureau website, http://visitsyracuse.org/dine.html.

Also new this year, SU Commencement is on Facebook at https://www.facebook.com/sucommencement. We look forward to communicating important Commencement-related updates and notices to students and families through this social media tool. We encourage you to share our Facebook address and help us build our 'friend' list.

The Office of Special Events is looking forward to partnering with each of the schools and colleges as we prepare to celebrate our students' accomplishments, and showcase our campus during the weekend of May 13 – 15.

16. Hasan Abdullah Yabroudi Student Paper Award 2011

During the 2010-11 academic year the Middle Eastern Studies Program will continue its tradition of holding an annual essay contest for undergraduate and graduate students. The Hasan Abdullah Yabroudi Prize will be awarded to the best two essays dealing with any aspect of the Middle East and North Africa that are written by one undergraduate and one graduate student enrolled at Syracuse University. The authors of the winning papers will each be presented with a certificate and a $500 stipend.

The entries, which can originate as course papers, will be evaluated anonymously by a faculty committee on the basis of originality of research and conceptualization, cogency of argument and clarity of writing. The essays must not exceed 7500 words (including bibliography) and must have been produced between August 25, 2009 and April 14, 2011. Essays can be nominated by the faculty or by students. The committee will only consider one paper from any one student. Please send three (3) copies to:

Yabroudi Prize Contest, Executive Education Office-Middle Eastern Studies Program, 219 Maxwell Hall or electronically to jgganson@maxwell.syr.edu. Your name should appear only on the cover page and not in the pages of the essay itself (to allow for anonymous review by the committee). For further information, please send an e-mail to jgganson@maxwell.syr.edu.

Submission deadline is April 15, 2011. The awards will be presented at a reception on April 28, 2011 at 5:00 PM in the Public Events Room in Eggers Building.

Global Nomads have occupied a prominent place in the life of Syracuse University and SUNY College of Environmental Sciences and Forestry. As part of an international organization, its members have the opportunity to address faculty, students and administrators in panel sessions organized to celebrate International Education Week, and in conferences that take place in and beyond the Central New York Region. If you are interested in meeting other Global Nomads (and that includes newly arrived students and scholars from abroad and "old hands" who have already made their mark on the university community), please respond to this notice by sending an email to:

18. Email Scam - Avoid Green Card Lottery Fraud

Have you or someone you know recently received an e-mail claiming you've won the Green Card lottery and asking you to send or wire money? Don't fall for it – the sender is trying to steal your money! Fraudsters will frequently e-mail potential victims posing as State Department or other government officials with requests to wire or transfer money online as part of a "processing fee." You should never transfer money to anyone who e-mails you claiming that you have won the Diversity Visa (DV) lottery or been selected for a Green Card. Learn more at: http://blog.uscis.gov/2011/03/e-mail-scam-avoid-green-card-lottery.html

19. Late Night at the Gym

20. Health and Wellness Expo
21. SK Run and Walk for a good cause

The University Judicial Board/Peer Education Team (UJB/PET) is excited to announce the return of the popular "got consent?" campaign! The "got consent?" campaign has occurred annually since its inception to educate and raise awareness about sexual violence. We have maintained the symbolic t-shirts, which have been enhanced this year. If you are interested in purchasing a t-shirt they can be purchased at the Schine Box Office. Additionally, as April is Sexual Assault Awareness month, the UJB/PET decided to expand the "got consent?" campaign this year and is hosting a "got consent?" 5K run and family fun walk that will take place on the Syracuse University campus.

The first annual "got consent?" 5K run and family fun walk will take place on Sunday, April 3, 2011. All participants who pre-register by March 16, 2011 will be guaranteed this year's "got consent?" shirt. If you are interested in participating please fill out a race entry form. If you are not able to participate in the 5K run and/or family fun walk you can still purchase your t-shirt at the Schine Box Office. We ask all whom receive a t-shirt to be sure to wear their t-shirt on "got consent?" day which is scheduled for Thursday, April 14, 2011, in coordination with Take Back the Night week.

The University Judicial Board/Peer Education Team (UJB/PET) has created a t-shirt with a message about communicating CLEAR consent EACH and EVERY time someone chooses to engage in sexual activity with another person. The campaign was started by the 2004-2005 UJB/PET when they undertook the issue of acquaintance-rape awareness as one of its primary programming goals for that academic year. Since then the "got consent?" campaign has grown. On April 14, 2011, members of the Syracuse University community will don their shirts to show support for the "got consent?" campaign. All of those who purchase the t-shirts will also receive information about the definition of communicating CLEAR consent EACH and EVERY time someone chooses to engage in sexual activity as well as a listing of pertinent campus resources.

The event's sponsor, the 2010-2011 (UJB/PET), asks that people purchase their t-shirts in advance at the Schine Box Office and wear their t-shirts on April 14, 2011.

Where can you purchase a t-shirt? Schine Box Office (315.443.4517)
When can you purchase your t-shirt ticket? February 10-March 16, 2011
How much are the t-shirts? Sizes S-3XL: $10 for SU Students; $12 for SU Faculty/Staff/General
When do I pick up my t-shirt? April 11-14, 2011 at the UJB/PET table in the Schine Atrium from 10-2pm or at 310 Steele Hall from 2pm-5pm.
Proceeds from this event will be donated to the R.A.P.E. center.

If you like more information on the "GOT CONSENT?" campaign please join our group (GOT CONSENT?) and check out our event ("GOT CONSENT?" 5K Run/Walk) on Facebook.com. Any questions please contact Nicole Asencio at nasencio@syr.edu or 315-443-3728.

IMMIGRATION UPDATES

Full-time Course of Study

NOTE: For Syracuse University F-1 students, a full-time course load is required during the Fall and Spring semesters. Full time enrollment means Graduate students must enroll for at least 9 credits every semester. Undergraduate students must register for at least 12 credits every semester. Students are not required to enroll in courses during the Summer. However, if Summer session is your first semester then you must maintain full time enrollment of at least 6 credits for that summer session.

Under Federal Immigration rules, to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement. For example, a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester – 6 credits must be live, in classroom courses.

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during Summer. However, students must maintain full time enrollment of at least 6 credits in a classroom course. Students must register for at least 12 credits that are required to graduate for undergrad and 9 credits for grad. It is acceptable to carry only those credits required to complete your degree. If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or through distance education. You must be enrolled in a live, in classroom course during your last semester.

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

If you are taking less than 9 credits this semester you must fill out a Certificate of Full-Time Status.

If your registration is cancelled, you will also lose your F-1 or J-1 student status. Don't put yourself at risk. Contact the Health Service as soon as you receive that email!

If this is your last semester you will have to fill out the Last Semester Memo.

USCIS Reaches FY 2011 H-1B Cap

U.S. Citizenship and Immigration Services (USCIS) announced today that it has received a sufficient number of H-1B petitions to reach the statutory cap for fiscal year (FY) 2011. USCIS is notifying the public that yesterday, Jan. 26, 2011, is the final receipt date for new H-1B specialty occupation petitions requesting an employment start date in FY2011.

Is Your I-20 or DS-2019 Expiring Soon? Do You Need an Extension of Stay?

This is the time of year when many international students whose I-20 or DS-2019 will expire this month, but who will be continuing their studies for Spring 2011, are applying for an extension of stay. Students who will begin a new level of study (e.g., completing bachelor's and commencing master's or completing master's and commencing PhD) receive a new I-20 for the new level of study. Changes in level of study require an admission letter from the Graduate School (if completing a bachelor's and commencing master's) or from the student's academic department (if commencing PhD verifying that the student has been approved for the new level of study, and the semester that the new level will begin.

Student's with I-20s or DS-2019s expiring in December 2010 but who will continue their studies at SU must begin the extension of stay process (or change in level of study process) before that date so that the new I-20 is issued before the I-20 expiration date.

Complete information and the required forms are available on-line at: http://international.syr.edu/extension_stay.htm

Important Reminders
A Reminder About Optional Practical Training EAD Cards

F-1 students who have obtained optional practical authorization for Optional Practical Training from the USCIS and who used a mailing address other than the SCIS Office for their Employment Authorization Document (EAD) cards are reminded to please email their EAD cards to the SCIS so that we can make a photocopy for your files. Having a photocopy in the SCIS could become very important to you in the future, if we need to verify your F-1 status or if the card is lost or stolen.

Important Reminder from Human Resources

International students who have jobs on campus (GA positions, TA positions, RA positions and hourly wage assignments) are reminded to be sure to copy the appropriate Human Resources Office campus on any change of U.S. address. Be sure to look at your address on your most recent pay stub. If it is not accurate, report it to your department or office where you work so that the address can be updated by your department. If you are on any payroll, your change of address is needed so that you can receive your W-2 Wage and Tax Statement forms in late January, as well as any checks that may be coming to you if you are leaving at the end of this semester.

Also, if you have obtained a social security number since starting work, it is essential that you report your social security number to your payroll office for W-2 purposes. If you are uncertain whether or not this is a problem for you, check your most recent pay stub, and look to see if your social security number as well as your current address are included properly.

HOUSING AND SAFETY

Keeping Good Rental Records

Lack of knowledge regarding leases or other rental agreements can cause a variety of problems. By keeping records of rental repair requests, security deposit disputes, and other important issues related to rental agreements, you can alleviate many of these types of problems. The most frustrating problems occur when the tenant cannot document their grievances. To prevent this, start a rental file as soon as you sign the lease and add to it throughout your lease term. A rental file is easy to keep, considering the money you may recover through rental deposits or security deposits. If a rental agreement is not signed or the tenant is unable to verify the extent of the problem, what you asked the landlord to do about it, and how the landlord responded.

Your Rental File Should Have:

- A Rental Log
Use a simple notebook to write all dates and times you contacted or tried to contact your landlord; make a note of any discussion. Logs are a useful permanent record of how the landlord did or did not respond to problems.

Apartment Condition Checklist

This is proof of the condition of the apartment when you move in and out. Keep a copy and send the original to the landlord by certified mail and return receipt.

Correspondence With Your Landlord

Keep any complaints or concerns in writing and keep copies on file. All verbal requests should be followed up in writing with copies in your file.

Off-Campus Housing 101

It is that time of year: time to begin looking for off-campus housing for the 2011-12 academic year. The rental season begins very early in Syracuse, but that does not mean that you have to sign a lease right now; you should not rush to sign a lease and should learn about off-campus housing prior to making the decision to move off-campus. A lease should not be signed until the property has been researched, roommates are confirmed, and the lease has been reviewed by Student Legal Services. There are a number of rental units available in the University area and one of the best resources for advice and information about off-campus housing are friends and classmates. Another good place to search is Orange Housing. Orange Housing maintains a web site of apartment offerings in the neighborhoods adjacent to campus. The Orange Housing website is www.orangehousing.com. It is important to keep in mind that this local company is not affiliated with Syracuse University or SUNY ESF and there are absolutely no guarantees about the quality and reliability of the information posted on the website. Orange Housing also offers roommate searches, sublet listings, and information relevant to apartment hunters. Apartment listings can also be found in the Daily Orange and at www.apartmentfinder.com.

Your first step in your apartment search is determining your needs. Important considerations include:

- Distance from campus
- How much you can afford for rent and utilities
- On or off-campus parking
- Number of roommates
- Pets
- Private or furnished apartment
- Length of lease
- Pets

Once you have determined your needs you will want to view two or more rentals that meet your criteria. Make a list of your valuables and record any serial numbers. Be sure you have blinds or curtains on your windows to discourage window peepers. Always keep your windows covered at night and leave lights on in two or more rooms.

When visiting properties, be sure to contact one of the following:

- Apartment Safety Tips

Burglars strike in any neighborhood. They are opportunistic and always look for easy targets as homes that are left open, not well maintained, out of sight or earshot of neighbors, or obscured by landscaping or fencing. The best way to minimize the chances of becoming a victim is to take sensible precautions.

The following tips offered by the City of Syracuse Police Department are designed to help you reduce your chances of becoming a victim of crime. You may already be aware of some strategies, but others may be new to you. Remember to trust your instincts and use common sense. Do not let yourself become a victim of a crime!

Before Renting an Apartment

Survey the residence for the following security features:

- Does the apartment have metal or solid core wooden entry and exit doors? Are these doors equipped with deadbolts? Are the locks mounted securely? Have the doors been re-keyed since the last tenant moved out?
- Can visitors be observed while opening the apartment door either through a door “peephole” viewer or window?
- Does any outside vegetation block doors or windows from public view? Does the vegetation provide places or concealment at entrances or along walkways?
- Are there adequate lighting fixtures along the exterior of the building entrance and along walkways? Are the outside doors kept locked at all times?

In Your Apartment

- Keep your doors locked at all times, especially when you are alone, sleeping, or the apartment is unoccupied (even if only for a few moments).
- Determine who is on the other side of the door before opening it. Have repair or service personnel show official identification and confirm their presence with the person requesting the service. Delivery persons should remain outside to avoid the person requesting the delivery.
- Be sure you have blinds or curtains on your windows to discourage window peepers. Always keep your windows covered at night and leave lights on in two or more rooms.
- Make a list of your valuables and record any serial numbers.
- Be sure all outdoor lighting fixtures are in working condition. Ask your landlord to make immediate repairs. Do not leave valuables unattended in such common areas as laundry rooms and lounges.
- Keep your mail and you doors to your apartment locked.

Parking Regulations In The University Neighborhoods

Parking in the neighborhoods surrounding campus may be a new experience for some. To avoid ticketing and towing, and to help maintain the quality of life in the University area, members of the University community are reminded to observe city parking regulations.

Many city streets have alternate side (odd-even) parking, which takes effect at 6 p.m. On odd dates, parking starts at 6 p.m. on the side with odd-number addresses; on even dates, parking starts at 6 p.m. on the side with even-number addresses.

*Parking illegally on a city street creates traffic hazards to motorists and pedestrians, obstructs vehicular and pedestrian traffic, prevents emergency vehicles from entering areas, and delays public services such as trash collection and snow removal. And parking on front lawns and across sidewalks is not only illegal, but also poses a safety threat to pedestrians who are forced to walk off the sidewalks. Working collaboratively with the Syracuse Police Department, we want the campus community to know the rules so they can follow them.

* To reduce and discourage illegal parking, the Syracuse Police Department will strictly enforce the parking regulations in the University area and will routinely conduct Ticket and Tow Operations in persistent violator areas. Drivers should obey the posted parking regulations in order to avoid being ticketed and towed, and should be mindful that failure to respond to parking violations may result in collection agency involvement or other punitive action against the registrant and/or the vehicle.

Pedestrian Safety Tips

Stay safe while you’re walking to campus. Here are some tips:
- Use sidewalks and paths whenever possible.
- Use crosswalks, and don’t start walking until you see the “WALK” signal.
- Walk facing traffic so you can see vehicles as they approach, and they can see you.
- Always walk in groups of three or more!
- Remember, pedestrians only have the right-of-way if a driver sees them! As a driver, it is important to be familiar with pedestrian safety laws.
- When a pedestrian is crossing at a crosswalk, drivers must wait until the pedestrian has completely crossed the street and has reached the other side safely.
- When making a right-hand turn at a red light, it is important to come to a complete stop and check for pedestrians crossing the street.
- Also remember there are many “No Right on Red” turns in the Syracuse University area!
