Important Reminders

Academic Reminders

Academic and financial deadlines for adding and dropping courses are determined by the campus of instruction for particular courses, rather than the student's campus. The dates above apply to main campus courses. Deadlines for courses offered on other campuses can be found in their registration publications.

For a detailed academic calendar [click here](#).

Full time course study – For Syracuse University F-1 students, a full time course load is required during Fall and Spring semesters. Graduate students must enroll for atleast 9 credits/sem. Undergraduate students must enroll for atleast 12 credits/sem. For more details information please [click here](#).

Is this your last semester of study at Syracuse University?: Please [click here](#) for more information.

Housing Address Update

All international students and scholars moving to new on-campus or off-campus housing must update the US Address via “**MySlice self-service**” -> **CURR address**. You must update your address immediately in order to be in compliance with the Immigration regulations. If you do not update your address you will be jeopardizing Immigration status while you are here at Syracuse University.

Please always update your address within 10 days of your move on MySlice.

Get ready for the Winter weather

Street plowing: In the winter, major roadways receive priority, while secondary streets are plowed as soon as possible. The City of Syracuse operates a fleet of 40 plow and salt spreader trucks assisted by independent plow truck operators.

Sidewalks: Sidewalk snow removal is the responsibility of each property owner. In most cases, if the owner doesn't live at the property, the tenant is responsible for keeping the sidewalk clear. Clarify with your landlord about whose responsibility it is to remove the snow, especially while you are away. Just a reminder, the rule is to clear snow and ice from sidewalks by 6pm after snowfall. The Fire Department must keep hydrants clear of snow in case of emergency, so residents are asked to assist in this task whenever possible, especially during a heavy snowfall.

Below are some other tips to keep in mind during the Winter:

- **Parking:** During the winter, all parking regulations are strictly enforced by the City of Syracuse so that snow can be removed from the street. Your car will be towed if you are parked across the sidewalks or if you are in violation of the odd/even parking regulation. Call the 315-448-CITY for more information.
- **Clothing:** Dress appropriately before going outdoors. The air temperature does not have to be below freezing for someone to experience cold emergencies such as hypothermia and frostbite. Wind speed can create dangerously cold conditions even when the temperature is not that low. Dress in layers so you can adjust to changing conditions. Avoid over-dressing or over-exertion that can lead to heat illness. Most of your body heat is lost through your head so wear a hat, preferably one that covers your ears. Mittens provide more warmth to your hands than gloves.
- **Footwear:** Wear waterproof, insulated boots to help avoid hypothermia or frostbite by keeping your feet warm and dry and to maintain your footing in ice and snow. Get out of wet clothes immediately and warm the core body temperature with a blanket or warm fluids like hot cider or soup.
- Avoid drinking caffeine or alcohol if you expect you or someone you are trying to help has hypothermia or frostbite.

Martin Luther King, Jr. Celebration at Syracuse University

Unsung Heroes Award

Yesterday's Dream, Tomorrow's Promise

Each year, Syracuse University's Martin Luther King, Jr. Celebration Committee presents "Unsung Heroes" awards to members of the greater Syracuse community who exemplify the spirit, life, and teachings of Martin Luther King Jr., but who are not widely recognized for their efforts. This singular, collaborative celebration occurs in the context of a community that vigorously embraces its leading role in social movements that either informed or draw inspiration from Dr. King's thought and action.

Transitive Flux - Art Exhibition

XL Projects presents the exhibition *Transitive Flux*, a conversation about the location of thoughts and objects on the transitional plane. The four-person exhibition is the work of Rebecca Aloisio, Michael Giannattasio, Sarah Camille Wilson and Davana Wilkins. Each artist's work is a visual negotiation of physical and psychological spaces. Through diverse media and practices, the artists question time, space and the nature of human interaction with objects.

The theme of the transitive and an underlying connection to the human body are present in the work of each artist. Drawing, clay, electronics and

large-scale sculpture form the language with which they express ineffable moments in space and time. The exhibition addresses these issues through complex visual and physical systems that resonate with consciousness.

When: Wednesday, Dec 5th 2012 - Sunday, Jan 27th 2013

Where: XL Projects, 307-313 S. Clinton St., Syracuse

Cost: Free

DPS reports decline in crime during Winter Break compared to past years

There was one reported burglary during Winter Break, a decline from years past, said Vernon Thompson, investigations and crime prevention commander for the Syracuse University Department of Public Safety. Thompson said he thinks safety education tips and increased patrols are the main reasons why there was a decline in the number of breaking-and-entering incidents. One burglary was reported to DPS and the Syracuse Police Department on Dec. 23 after an individual returned home on the 500 block of Euclid Avenue to find it had been burglarized.
