SU Transfer-Out Form

If you are intending to transfer to another educational institution, you must complete the SEVIS Transfer-Out Form. Please note that this is only a transfer of your immigration record and *not* of your academic record.

How is my SEVIS record transferred to a new school?

Your SEVIS record will be transferred electronically through the federal database known as Student and Exchange Visitor Information System (SEVIS). Your SEVIS record can only be transferred to ONE school, so you must decide which school you will attend before requesting a transfer.

What does the SCIS need in order to transfer my SEVIS record to another school?

- The attached SEVIS Transfer-Out Form. Each section is REQUIRED to be completed.
- An official letter of admission from the new institution.
- Contact the new school to see if they require a Transfer-In Form (a form to be filled out by your International Student Advisor (DSO) at the SCIS Office and faxed to the new school to confirm your immigration status)

Do transfer students have to pay the I-901 SEVIS fee again?

No. You are considered a continuing student in SEVIS.

Do transfer students have to apply for a new F-1 visa?

No. If your F-1 visa is still valid, you do not need to get a new visa. The notation of the school's name on your visa becomes irrelevant. If your visa is expired, you will need to apply for a new F-1 visa before returning to the U.S. after traveling abroad.

How much time do F-1 transfer students have to transfer to another school after graduating from SU or after the end of post-completion OPT Employment authorization?

Students must have their SEVIS record transferred from SU to the new school within the 60 day grace period following program completion or OPT. Therefore, the SEVIS Release Date that you choose must fall within that grace period.

Once my SEVIS record is transferred, how soon must I begin classes at the Transfer-In school?

You must begin classes at the new school within **5 months** of your transfer release date, your program completion date, or your OPT end date, whichever is earlier.

When should I stop my on campus employment at SU if transferring to another school?

You are only authorized to work on the campus of the school that holds your SEVIS record. You must end your on-campus employment at SU on the SEVIS Transfer Release Date. Once the record has been electronically transferred, it will be only with the new school, making you ineligible for work at SU.

If I am on CPT or post-completion OPT, when must I stop working?

You must stop working on the SEVIS release date or the end of your CPT or OPT authorization, whichever is earlier.

Can I change my mind about transferring to another school *BEFORE* my SEVIS Transfer Release Date?

Yes. You will need to contact your advisor at the SCIS as soon as possible.

Can I change my mind about transferring to another school *AFTER* my SEVIS Transfer Release Date?

This gets more complicated and can result in a delay in your academic plans. Please contact your International Student Advisor.

**** Please inform your Academic Department, the Registrar's Office, the Bursar's Office, and the SU Housing Office if living on-campus. (You may also want to inform the SU Health Services, so they can transfer your record to your new institution.)**
