In addition to your dependents, cost of living expenses in the U.S., you must also assume financial responsibility for the purchase of health insurance and the return travel of your family to your home country.

3. **Health Insurance Documentation:**

F-1 Visa holders: The Slutzker Center requires that all international students and their dependents be covered by health insurance. Your family must obtain health insurance prior to or within 30 days after arrival. If you have a graduate assistantship and have purchased health insurance through the Office of Human Resources, you must update your coverage to include your dependents as well as purchase additional supplemental medical evacuation and repatriation coverage through the Slutzker Center. Understand that if your spouse and/or children are not covered by health insurance during their stay in the U.S., the Slutzker Center cannot assist you in finding financial resources for medical treatment in the event of illness, injury, or pregnancy.

J-1 Visa Holders: The U.S. Department of State specifies these requirements. Program participants and their dependents are required to have medical insurance coverage with the following minimum benefits [22 CFR 62.14].

Medical benefits of at least \$50,000 per accident or illness

Repatriation of remains in the amount of \$7,500

Expenses associated with the medical evacuation of the exchange visitor to his or her home country in the amount of \$10,000

A deductible not to exceed \$500 per accident or illness

Sponsors are to require that their participants (and any dependents entering the U.S. as holders of a J-2 visa) have insurance in effect during the period of time they are in the sponsor's program. An insurance policy secured to meet the benefits requirements must be underwritten by an insurance corporation with an A.M. Best rating of "A-" or above, an Insurance Solvency International, Ltd. (ISI) rating of "A-I" or above, a Standard and Poor's Claims Paying Ability rating of "A-" or above, or a Weiss Research, Inc. rating of B+ or above. Alternatively, the sponsor may ascertain that the participant's policy is backed by the full faith and credit of the government of the exchange visitor's home country. For other options, see [22 CFR 62.14].
