Graduating in May?

F-1 students who are graduating this semester and who plan to apply for OPT are reminded that they must submit their application to the Slutzker Center and then send the processed documents to USCIS so that the OPT application is received no later than 60 days after the program completion date (May 10 in most cases). [Click here](http://international.syr.edu/) for more information about OPT.

Not graduating in May and need an I-20 or DS-2019 extension?

F-1 and J-1 students who will not complete their programs by the expected program end date on their I-20 forms or DS-2019 forms, must apply for extension before the expected completion date on their forms. Extension request forms can be found at [http://international.syr.edu/forms/index.html](http://international.syr.edu/forms/index.html)
