Come to the Slutzker Center for International Services on Monday, December 4, 2017 and help us decorate and turn this tree into a true holiday delight! We will start with lights first thing in the morning, and then hang decorations on the branches. Stop by any time and hang a decoration if you would like to be part of the festivities. Cookies and hot chocolate will be available for all who stop by and hang a decoration

or help with the lights!

Attention All Returning International Students Peer Assistant Volunteer Opportunity

Remember how welcomed the student volunteers made you feel when you first arrived at the Slutzker Center? We are once again in need of reliable and welcoming students during the Spring 2018 arrival process to greet the new international students. Peer Assistants are unpaid volunteers who support the Slutzker Center in its mission to support and to serve Syracuse University's international student population.

This is a great opportunity to meet new international students, to form new friendships, build your resume and give back to the University community.

If interested, go to the [Slutzker Center Website Programs and Activities Peer Assistants](#) and download, complete and submit your application to: farahman@syr.edu

Application deadline is Friday, December 15th, 2017.

Does your I-20 or DS-2019 need to be extended?

Will you NOT complete your program by the program end date on your I-20 or DS-2019 ? F-1 and J-1 students who will not complete their programs by the expected completion date on their I-20 forms or DS-2019 forms, must apply for extension before the expected completion date on their current forms.

Extension request forms can be found on the [Slutzker Center website](#)
